PUBLIC NOTICE

The Federal Emergency Management Agency (FEMA) has received a subgrant application for Town of Canton (087-10240-0C DI# 1868958 . Pursuant to Executive Order 11988 and 44 CFR Part 9.12, notice is hereby given of FEMA's intent to provide funding for this project under FEMA Public Assistance Program

Under the National Environmental Policy Act (NEPA), federal actions must be reviewed and evaluated for feasible alternatives and for social, economic, historic, environmental, legal, and safety considerations. - Executive Order (EO) 11988 and EO 11990 requires FEMA to consider alternatives - and provide a public notice of any proposed actions in or affecting floodplains or wetlands. This notice may also fulfill requirements under Section 106 of the National Historic Preservation Act (NHPA).

This notice serves as a project-specific notice for FEMA's funding action located within a Special Flood Hazard Area (SFHA). FEMA has determined the only practicable alternative is to fund the proposed scope of work. Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions. This action complies with the National Flood Insurance Program (NFIP) requirements.

Responsible Entity: FEMA Public Assistance Program

Applicant: North Carolina

Proposed Work and Purpose:

The proposal is to repair and replace components of the A/P Multi-Purpose Building. Repairs to include the replacement of the storage roof, roofing felt, hot mop roofing application, roofing lumber, drip edge, wood sliding doors, plaster, double pane windows, store front windows and doors, flooring, baseboard and trim, and plywood in the storage area, entry, stairwell, mezzanine and center areas used to to store goods for the Farmers Market. The improvements to the facility are part of a larger proposal to create a flood resilient, community structure that promotes open space use near the Pigeon River at Park

Project Alternatives

(1) No Action Alternative - If the building remained damaged, then it would make it unable to be used for community services where it could otherwise facilitate open space use.

(2) Alternative 1 - Relocation of the facility which is likely much more expensive and not financially practicable.

Comments: This will serve as both the initial and final public notice regarding the above-described action funded by the FEMA HHPD program.
